Listening and Speaking

As you work on a **scene** that dramatizes the arrest of Rebecca Nurse, keep the following things in mind:

- Which characters besides Rebecca would be present in the scene?
- What would the other characters say to Rebecca?
- How would Rebecca respond to other characters?
- How would the event be described by others in Salem?

Choose classmates to play each of the roles, rehearse the scene, and present it to the class. Ask for feedback related to character, plot, and dialogue. Ask classmates whether they found the scene believable.
